**Attachments:** Draft FL MOA language on ESA (asw sak 4-30 response to sn cmts).docx

Hi ladies,

I started to edit the end of the MOA, but since I was making some cuts without Alexis' authorization, I saved my version separately, as of 11:45. Let me know if you have edited the sharepoint version substantially since 11:45, in which case I'll move these edits into that version.
